## Bus timetables for Healing

The Parish Council is trying to find a way to publish the Bus timetables without it taking up too many pages and still being legible for everyone.

Also, at the current time, the timetables have been changing due to lockdown and tier restrictions.

For anyone wanting to find the bus times, please look online at [Stage-coach.com](http://Stage-coach.com)

## CHAIRMAN'S UPDATE—DECEMBER 2021

As the country tries to get back to some sort of normality after the upheavals of the last couple of years we should look back at the positive things that have happened, and are happening in our village.

Once again we took part in the Remembrance Day commemoration in the village, and it was good to have a normal commemoration particularly after the somewhat low-key affair held last year. Again our thanks go out to the British Legion for their time and organisation.

A big thank you to our "Poppy Ladies" who worked very hard to put poppies on lampposts throughout the village to add to those added by residents to trees and gates.

As usual our Christmas Tree will go up in early December, but unfortunately we are unable to hold an event for our young people this year. This is a full explanation in this edition.

The sale of the "old" Village Hall was completed and work is well underway on the new hall on Poplar Park. At the time of writing this we are on target to start to occupy the new Hall from January 2022.

We think this new facility will be an added bonus to the village, giving more opportunities for many other events for everyone to enjoy. The Parish Council will be organising an even to celebrate Her Majesty the Queen's Platinum anniversary and more details of this will follow in the new year.

Let us hope that 2022 brings back more "normality" to our lives and that we continue to enjoy our village community.

May we take the opportunity to wish you all a very Happy Christmas and health New Year and we look forward to seeing you during the year.

## HEALING PARISH COUNCIL NOTES FOR DECEMBER 2021/JANUARY 2022

The Council meeting for November was held in the Village Hall and saw the cooption of a new member, Cllr. Neil Cass. As well as Cllr. Cass, two other members of the public who had been present have also come forward and put themselves up for cooption to the Council. These two candidates will attend the December 2021 meeting with a view to being coopted onto the Council.

### Highways and Footpaths

A quarterly highways meeting with the Parish Council and NELC/ENGIE is scheduled to be held during the first week in December and any issues within the Village will be discussed at that meeting.

## POLICE REPORT

### Wolds Ward Healing Update November 2021

#### Crime

There were twenty-nine reported crimes across the Wolds Ward during October, of which five have occurred in Healing.

Two males entered a compound on Pegasus Way on the EuroParc and entered a lorry. Both males left without stealing anything.

Other offences include:

A minor public order offence following a road rage incident on Fords Avenue. Theft of a wheelie bin from Poppy Mews.

A report of harassment and sending malicious communications by the same offender to the victim.

There has been one reports of ASB.

A group of youths causing issues on Wells Road.

Your local Neighbourhood Policing Team appreciates the importance of being in the right place, at the right time, for the right reasons to reassure the public, improve public confidence and reduce crime and anti-social behaviour in the area in which we all live and work.

We encourage all residents to call and report any issues where they live so that we can deal with any issues and step up our patrols in the area. The number to call for non-emergency issues is 101

**Healing Christmas Event 2021**

It is with much regret that the Parish Council is not able to hold the usual Christmas Event this year. It was hoped to be able to hold the event after not being able to do so last year, but unfortunately the Healing Academy have advised that we are unable to use its School Hall this year as it does not have the staff available to open up school facilities for us.

Therefore the event cannot be held this year as the Village Hall currently is simply not big enough to accommodate all of those who usually turn up, hence why we usually use the school hall.

The Parish Council will still be organising the village Christmas tree and its lights but there will be no Christmas event.

Hopefully, with the new Village Hall open in the New Year, next year may see us holding the event at the new venue and using the indoor and outdoor space to do so.

**UPDATE NEWS!!!**

**The new village hall project**

This project is now nearing completion and is scheduled to be finished by mid-December 2021. The Parish Council is organising to start using the new Hall hopefully from the first week in January 2022 but will keep all of the hirers updated with regard to timescales etc.

The project will bring a new dimension to village hall operations, especially with regard to events etc. and is much more accessible for residents and user groups etc.

An official open event will be held sometime in the New Year to allow residents to come along and see what the new facility has to offer so keep an eye out for the date for that—we will advertise on social media etc etc.

**Summer Event to mark Queen's Platinum Jubilee**

An event is being planned by the Parish Council to mark Her Majesty's Platinum Jubilee and Healing will be taking part in the national beacon lighting programme to mark this prestigious event.

The venue will be the new Hall and the park on Poplar Road Park and further details will be published in the New Year. It is hoped village groups and clubs will get involved and help make this event a very special one.

## REMEMBRANCE DAY 2021

A big thank you to everyone who turned out for the Remembrance Day Service on Sunday 14th November and attended the Healing War Memorial.

We have some thanks to note -

Thanks to the Traffic Marshals—Roger, Tony, Tony and Matty—this is an important job and the Parade can't go ahead without these helpers.

Thanks to our local PCSO's for attending.

Thanks to the Poppy Ladies as always.

Thanks to Nicky Okopskyj, the Standard Bearer.

Thanks to the Veterans who turned out on the day.

A big thank you to the RBL Club for the fine spread of food and cakes and for their overall help with this event each year.

Thanks to all the organisations that laid a wreath on the day and took part in the Parade.

Also, a big thank you to Parade Marshall, Wayne Okopskyj, for mustering us all on the day and making sure everything went smoothly.

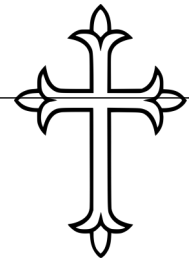

Find us on Facebook 'Healing Parish Church', for any additional information.

## Village Walks

Our Christmas season walk will be on Sunday December 12th and this will be followed by seasonal refreshments at the Chapel.

The January walk will be on Sunday 16th Jan

We will meet at the Methodist Chapel for a walk of about 3 miles at a gentle pace at 2p.m. All are very welcome to join us. Come and prepare to shed a little of the excesses of Christmas.

If you require further information, please contact Peter Ede Tel.883625.

The Parish Council  
wishes all of its  
residents a very  
Happy Christmas  
and a peaceful and  
prosperous 2022

### Overgrown hedges, trees and shrubs

The Parish Council receives lots of complaints from residents about overgrown trees/hedges/shrubs which have been allowed to grow out over footpaths and roads etc. It is sometimes a struggle for those pedestrians using the footpath to walk along when hedges etc. are so overgrown. It is also very difficult if you have a buggy/pram or are pushing a wheelchair. It is sometimes necessary to go onto the road due to these overgrown hedges etc. and that is unsafe.

Therefore, can we please remind all residents that it is an offence to allow trees/shrubs/hedges to grow over and obstruct either the footpath or the roadway outside of your property. It is also an offence to allow any overgrowth to impede visibility for motorists at junctions etc.

If residents could be mindful of this and please make sure your hedges and shrubs and any overhanging trees etc. are cut back to allow full and safe access to the area outside of your property, including the footpath and the road.

Many thanks.

### Night

The sun sinks down below the hill in glorious colour

Night with rest for eyes covers the earth with darkness dour

Time to turn off the light, kiss and wish 'Good Night, Sleep Well'.

Outside the stars and planets sparkle in the darkness undemanding

Revealing an expanding universe beyond our understanding

Look at them beyond the curtain and know the creative God with you.

Some days the gentle moon will shine with an air of romance

Owls hoot, foxes wander and trees rustle in a gentle dance

Listen to the sounds of nature of which you are but a small part.

In a sleepless night we may fear the night will last forever

But as the earth rotates it will bring another day whenever

And we may know both day and night are good and richly blessed.

Peter Ede 2021

### What else does the Parish Council do?

Again, NELC consult with the Parish Council over all sorts of issues such as refuse collection, recycling targets and issues, major schemes within the Borough which could impact on Healing etc.

The PC also receives links to all the major meetings of NELC, such as Cabinet Meetings etc. so it can see items on the agendas.

Within the village, the Parish Council helps organise the Remembrance Day Parade with British Legion, it provides a Christmas Tree each year and organises events for the Village.

Running the Village Hall for local residents means it also liaises with Village Groups such as the Brownies, Mother and Toddlers etc. and it also supports other groups and organisations within the Village such as the Healing Nursery and Out of School Club, the Scouts and also assists the St Peter and Paul Church by making a contribution to its grass cutting of the Churchyard each year.

In running the Hall, local groups are supported by special community hiring rates and local groups and clubs providing activities for local residents are actively promoted.

### Who can be a Parish Councillor?

If you are over 18 years of age, live in the Village or have your main place of work within the Village, you can put yourself forward to be a Council member. You don't need any particular experience, just a positive attitude towards doing something to help improve, maintain and enhance the general environment of the Village. There is not an election each year, but elections are held every 4 years. In between election years, new members can be 'co-opted' on to the Council to fill a vacancy.

Parish Council members come from all walks of life, all age groups and from every part of the community. Anyone interested in getting involved in the management of the Village should come along to a meeting.

**What does the Parish Council own in our Village?**

The Parish Council owns the Village Hall (the new build), the Moated Site (the sheep field), Cornflower Copse, the footpath between The Avenue and Station Road and the land at the end of Quantock Gardens. It also owns the Village War Memorial, the Healing Cenotaph, at the top of The Avenue, which it holds in trust for the village of Healing. It also leases, from NELC, the two parks at Fords Avenue and Poplar Road and also leases Porri's Wood from NELC.

Leasing the parks makes the Parish Council responsible for all the maintenance, grass cutting, bowling green and tennis court maintenance and yearly inspections for safety of the play equipment etc.

**What Decisions can the Parish Council make?**

The Parish Council makes its own decisions on the management of its community buildings and land it owns and leases.

It is also consulted on every planning application which is submitted within the Village to the local planning authority, which is NELC. NELC write and tell the Parish Council about every application within Healing and usually on its boundaries. A decision is made at the PC meeting as to whether the application should be agreed with or objected to and then the comments are sent to NELC who use these to help decide the outcome of the planning application. The Parish Council also has the power to request that a planning application should go before the Planning Committee to be decided rather than just being decided by a Planning Officer.

With highways and traffic issues, the Parish Council holds quarterly meetings with NELC and works very closely with the Traffic Team Manager, Civil Enforcement and Road Safety. These meetings decide policy for highways and traffic issues which will affect Healing and again comments/proposals/objections from the Parish Council are considered as part of the process with any works committed to by NELC.

The Parish Council can also request, and indeed often does, speed monitoring in the Village and the results are then shared with it by NELC. Recent speed monitoring results have actually just been received. Over....

## **WHAT DOES YOUR PARISH COUNCIL DO?**

### **WHO ARE YOUR LOCAL COUNCIL MEMBERS?**

The Parish Council often receives requests from residents for help with various issues, some of which it unfortunately has no remit to deal with and it can sometimes be difficult explaining to residents that the Parish Council has no jurisdiction over certain matters.

Also, when looking to coopt new members, the Council often hears the words, 'Well I thought I'd come along and see what happens, because I don't really know what the Council does'.

Therefore, the Council members thought it might be useful to highlight the work of your Parish Council so you can see what it does in the Village and what remit it has over issues which affect all of you as residents. In the next few issues, we will also be running the Know Your Councillor articles from our newer members so you can see who the members of your Parish Council are and learn more about them.

#### **What is a Parish Council?**

Parish Councils were created by an act of Parliament and they are, basically, your first tier of local Government. Your Parish Council is pretty much the same as North East Lincs Council, but just smaller and non-political. All the members are village residents and do not sit on the Council representing any political party—all members of the Parish Council are independent.

At Healing there are 10 available 'seats' on the Council.

## View from the Pew

### Shall I Tell You Why I'm Really Here?

My wife and I met a woman recently who told us of a retreat she had been to earlier this year. She had gone there for some space and solitude, a chance to reflect on her life's priorities and direction. There was a gentleman also on the retreat and, over lunch, they introduced themselves to each other and chatted about their reasons for taking time out. That done, there was a pause in the conversation. The man leaned over and said to her in a hushed tone, "Shall I tell you why I'm really here?"

Our lives may be characterised as having two layers; an outer zone and an inner realm. The outer zone is what other people see; our physical appearance, our known opinions, our social / professional / domestic personas. The inner realm is who we really are, our heartfelt longings, convictions, fears, hopes etc. This is an extreme simplification, of course, but you get the point.

The world into which Jesus was born was, in many ways, little different from ours. Certainly, human psychology was similar: people fretting and fussing over the stuff of daily life, concerned with their routines and outward appearance or social status. Beneath that layer of froth lay the deeper soil of the heart, with its mixture of virtues and vices. In his ministry, Jesus spoke repeatedly about matters concerning the interior life, and his words still carry profound resonance to this day of busyness and distractions.

To look at it in a topical way, our lives are like Christmas gifts. There is the wrapping, all shiny and attractive - we don't wrap presents in old newspaper or brown paper, do we? The wrapper gives clues to what lies beneath, a hint of the shape perhaps, but it can also mislead. The actual gift, what you really want to discover, lies within. We put so much effort into our lives' shiny wrapping but so little time reflecting on and nurturing the gift inside.

Christmas, likewise, has a two-layer aspect; the lights and decorations, gifts and sprouts, etc, but also the deeper quality, acknowledging and celebrating the birth of Jesus Christ with grateful hearts. What is Christmas really about?

May you have a happy and blessed Christmas.  
Andrew Gadd

## HEALING GARDEN CLUB

We are hoping to be able to restart in January with a social evening with a fish and chip supper, always a popular meeting with members.

Please watch the Healing News for further details, however we are planning to contact all our present members by mail shortly.
