The Parish Council is trying to find a way to publish the Bus timetables without it taking up too many pages and still being legible for everyone.

## Know Your Parish Councillors

### Cllr. Steve Norton

As a newly (July 2021) co-opted member of the Parish Council I would like to introduce myself.

Following a long career in the seafood industry, Rossfish, Findus Nestle, Youngs and CEO of the Grimsby Fish Merchants Association I retired in 2016, after a period of traveling my wife and I decided to move home and we were delighted to find our new home in old part of Healing.

Whilst I am a new Parish Councillor, I served for a total of 30 years as councillor on Great Grimsby Borough Council and its successor North East Lincolnshire Council, latterly a Ward Councillor for Humberston & New Waltham both of which have Parish Councils this extensive service has provided me with an invaluable insight into public service.

I believe the Parish Council are the custodians of Healing, in addition to their statutory obligations they require feedback from the residents to understand people's concerns and aspirations to assist in developing the community.

The new village hall project is a good example of providing a multi-purpose facility that will serve the community for many years, I'm sure we all look forward to it opening this year.

The demographics of Healing are changing, as such, the PC needs to respond and work with various organisations within NELC to facilitate change, I look forward to being an active member of the PC.

## **UPDATE NEWS!!!**

### **The new village hall project**

This project is now completed with regard to the building works. The Council is now organising the safety flooring to be fitted, with the first stage of these works completed in mid-January. The main flooring to the new main hall cannot be laid until the new slab for the floor is totally dry so this will take a few weeks extra to complete.

The new hall is designed with a larger main hall, access out onto the bowling green to the rear, a large kitchen and enhanced storage facilities. There are toilet facilities, a disabled toilet and also a meeting room/conference room which is at the opposite end of the building to the main hall, thus facilitating dual usage of the main hall and meeting room by different groups at the same time.

There is also a large reception area and underfloor heating to the main Hall floor, along with large floor to ceiling windows all along the length of the new main hall. There is also a heightened ceiling so that bouncy castles etc. can fit easily into the Hall.

A moving over date is yet to be confirmed but all of the regular hirers will move to the new facility with us and an open/welcome event will be held for residents to come and take a look at the new facility. Of course there is improved parking at the new Hall with more parking spaces for users.

## Summer Event to mark Queen's Platinum

### Jubilee

An event is being planned by the Parish Council to mark Her Majesty's Platinum Jubilee and Healing will be taking part in the national beacon lighting programme to mark this prestigious event with a new Beacon already commissioned for this.

The venue will be the new Hall and the park on Poplar Road Park and further details will be published in the New Year. It is hoped village groups and clubs will get involved and help make this event a very special one.

The celebrations commence on Thursday 2nd June and run for the whole weekend. The Parish Council will be organising an event for the village and further details will follow. The details of an event are being discussed at the February 2022 meeting of the Council so anyone with any ideas should pass them on to us so they can be considered as part of the celebrations.

## Village Walks

You are invited to join us on a local footpath walk on Sunday February 13th at 2 pm. We will meet at Healing Methodist Church car park for a walk of about 3-4 miles.

All welcome to join us.

Please contact Peter Ede 01472 883625 for further information.

### Remembrance Day Reflections from 2021

I would like to reflect on the 2021 Remembrance parade. The Villagers did us veterans past and present proud by gathering at the War Memorial or lining the route to pay their own respects.

In years past we have removed the wreaths and tributes off the War Memorial in March and recently placed them on the railings kindly donated by Hodson & Kauss. They remain there until October when the final preparations for the up coming parade are in place.

In the last couple of years the Poppy ladies have been busy and with your support have provide an additional symbol of remembrance—the large poppies that hang from lampposts and gates all over the Village.

To save the bright red poppy from the (wishful thinking) scorching sun of the summer to come, it might be prudent to also remove them to a safe place until November.

Once again I would like to thank one and all for your support.

WM Okopskyj

With Honor The Village Parade Marshall.

### Overgrown hedges, trees and shrubs

The Parish Council receives lots of complaints from residents about overgrown trees/hedges/shrubs which have been allowed to grow out over footpaths and roads etc. It is sometimes a struggle for those pedestrians using the footpath to walk along when hedges etc. are so overgrown. It is also very difficult if you have a buggy/pram or are pushing a wheelchair. It is sometimes necessary to go onto the road due to these overgrown hedges etc. and that is unsafe.

Therefore, can we please remind all residents that it is an offence to allow trees/shrubs/hedges to grow over and obstruct either the footpath or the roadway outside of your property. It is also an offence to allow any overgrowth to impede visibility for motorists at junctions etc.

If residents could be mindful of this and please make sure your hedges and shrubs and any overhanging trees etc. are cut back to allow full and safe access to the area outside of your property, including the footpath and the road.

Many thanks.

### HEALING GARDEN CLUB

We are hoping to be able to restart shortly with a social evening with a fish and chip supper, always a popular meeting with members.

Please watch the Healing News for further details, however we are planning to contact all our present members by mail shortly.

## Treats for Christmas

A huge thank you to everyone who brought donations for the 'Treats for Christmas' and 'Toys for Joy Appeal'.

Your kindness and generosity was really appreciated.

Thank you so much from everyone at Immingham Food Larder and Healing and Keelby Methodist Church.

The response was amazing in these very difficult times and has made a big difference to many struggling local families at this special time of the year.

Thank you!

### View from the Pew

As we begin to come to terms with a new Year and look towards Easter, I am reminded that the good will and care already shown to many by others, needs to continue. We are still in the grips of a really difficult time and there is no short-term solution, so we need to continue to be kind to each other and share our joys and our difficult times together.

There is an old saying which goes "if you do something right no one remembers, if you do something wrong no one forgets".

That is certainly true in my role within the church and wider community. Putting people down is not a good practice and often shows your own vulnerability, my Grandad was always looking for what was wrong in everything. In junior school our little village school team won through to the semi-finals of the county schools cup for under 11's, I was in goal, and we lost the semi-final to another village team. My Granddad did not congratulate me on reaching the semi-finals, but pointed out what he saw as my mistakes in the match telling me I did not play well. The reason I use this story is that to this day I will never forget his negative attitude towards what for me was a real triumph. We should treat each other with respect and grace even in difficult times and remember that something you say might be in someone else's mind for the rest of their lives. Jesus said,

"So in everything, do to others what you would have them do to you", (Matthew 7:12).

Stay safe and may God bless you all

Neil
