ELECTION NEWS—2023

Firstly, happy new year to everyone and let's hope that 2023 is a peaceful and prosperous one for all.

2023 sees local elections which will include Town and Parish Councils this time. Further information will come out through our website, it will be discussed at our Parish Council meetings and of course in the next Newsletters. Members of the public can put themselves up for election should they wish to do so and anyone looking for further information in the meantime should contact the Clerk, Mrs. Peers, on 07494 577661 or email to healingparishcouncil@outlook.com.

Dates for submission of nomination papers etc. will be published in the next few weeks and these, along with the details of the process involved, will be advertised as mentioned above.

VOTER ID—NEW FOR VOTING IN 2023

2023 sees the introduction of new legislation which requires anyone going to vote in any local or national elections to produce photo ID. This will be the form of a valid passport or driving licence or, if you don't have either of those, a voter ID card.

Without the above you will NOT be able to vote in elections.

The Government has just launched a portal whereby you can apply online for a voter ID card and we will put further details in the next magazine.

Anyone who doesn't have the required valid ID and doesn't have access to the internet to register for a voter ID card can apply through a paper form and the Parish Clerk can assist with this if you contact her.

Events

MILLION POUND CHALLENGE IN NORTH EAST LINCOLNSHIRE

Between us as part of the Later Life Partnership, we are aiming to ensure that all people over the age of 60 are receiving all of their full benefit entitlements.

Do you know that a high percentage of older people living within North East Lincolnshire are not claiming their full entitlements to Attendance Allowance, Council Tax and Housing Costs and pension credits?

Are you one of them? Don't be!

Why don't you have a full benefit entitlement check done with a trained advisor to check you are getting everything you are entitled to... it doesn't take too long.

Do not miss out... especially with the current rising costs of living and fuel bills. Give us a call today on the below number to arrange for an advisor to call you back to discuss further. It really is as easy as that.

How do you interpret the events of your life? There are the things that happen to you and the things you choose to do. How do you assess them? Do you live your life on the basis that all that there is and what you do is wrapped up in the daily routine of your life?

If you do, then your focus is on you and what happens to you and you know you can't do anything about anything so you don't try. It can lead to your not having good relations with the people you meet at work or the community. It can cause you to discriminate against people who are different to you or express viscous or hateful things on social media. It can lead to resignation and at worst depression.

But there is another point of view, which is that your human life, as well as the lives of the people of all nations, takes place within a world community. All these people have an amazing variety of experience, tradition and beliefs. So if we become fully aware of the friends, family and people around us we realise that with all their differences they are people to be valued for their potential to contribute to world peace and harmony.

It is a good sign that the growing activity in prevention of climate change, care for the environment and avoidance of waste all contribute to our thinking that we are all inter-related and have a responsibility for the world and each other. The increasing contributions of people and Supermarkets to Food larders for those struggling with the issue of 'heat or eat' are all signs of caring people thinking outside their own personal lives. Then there are the people hosting Ukrainian families or donating to charities. What are you able to contribute?

The life of Jesus gives us a role model of caring and sharing even if it involves personal sacrifice.

Where is the focus in your life? Just on you or on the community of people who make up this world? Can you bring hope to someone today?

Ward Funding from NELC

A big thank you to our Ward Cllrs. Henry Hudson and David Hasthorpe, who are your representatives on NELC.

Ward Cllrs. receive a funding pot each year to be spent in their Wards and our Ward Cllrs. have generously given Ward funding to Healing PC this year.

This has enabled us to purchase new lights and install a Christmas Tree up at the new Village Hall, purchase more equipment for the kitchen for when events are held, get a new projector for meetings and also purchase a new PA system which can be used at events and Remembrance Day etc.

So a big thank you to our two Ward Cllrs who support the Parish Council with these funding items.

If you would like to run a feature about your Group or advertise an event in the Village, do please send through your information and we can run it for you.

Village events in aid of local groups or charities are always run free of charge so do send them in to us.

EVENTS NEWS

By the time you read this, we will have had the next in our run of popular quiz nights. The tables for these sell really quickly so when we set the date for the next one, although it will be in the Newsletter it will also appear on our FB page so do keep an eye on that if you would like to come along.

We have also organised another Fashion Show for September 2023 so we will advertise that closer to the date.

A big thank you to everyone who came and supported the Christmas event—a very popular visit from Father Christmas made the afternoon and a big thank you to Mrs. Joy Spreadborough for providing our musical entertainment.

We had some Christmas presents for children left over by Father Christmas at the Christmas event so they were very warmly received by Women's Aid who said to thank the Parish Council for its kind donation.

The Parish Council is committed to providing events for the Village so do keep an eye on the Newsletter and on our social media pages for further news.

HEALING AND DISTRICT GARDEN CLUB

At the start of the New Year Garden Club members enjoyed a get together with a buffet table fit for a King, the egg sandwiches will never be forgotten, for all the right reasons!

Our next meeting is our AGM on February 7th at 7.30 followed by our speaker Dave Spreadborough who is the Lead for the Healing Green Agenda Group. It will be good to hear of this Groups great plans for greening our Village.

As almost the only Social group left in Healing now we have been asked if we could widen our range of speakers slightly and this change will be seen in our new programme for 2023 which will be available at our AGM.

As Affiliated Members of the RHS we are entitled as a group, to visit one of their show gardens each year free of charge for our members, and this is also in our plans.

Membership from Feb 2023 is £7.50 for 12 meetings which includes refreshments or please come along as a visitor for which the cost is £3.00 per meeting.

We are aware that some of our more mature members of the community are finding difficulty in accessing the New village Hall for our meetings so we are happy to provide transport to and from the Hall.

Healing Green Agenda Group

The Group had its second meeting in December which, again, was very enthusiastic. Our list of green "Projects" is coming along nicely with several new ideas being added. We will be putting more detail on all these ideas at the next meeting or two.

The "Christmas Tree Recycling" project was completed. About 65 trees were brought along to the Village Hall carpark, many carried through the streets of Healing, and will be shredded to make a useful garden mulch. Hopefully, we'll do it again next year and on a bigger scale.

A website for the Group is being set up and should be ready to go next month.

Some tidying up is being done around the Scout Hut and preparations made for planting wild flowers later in the year. All good for the insects and birds.

The main thing we now want to progress is the construction and planting-out of a few more planters around the Village. There are currently two beside the road into Healing and two by the Village Hall. These have been made from recycled materials. However, we now need a couple more used plastic 45 gallon drums (the type with just a small hole in the top). Please let me know if you know of any going spare.

Next meeting on Tuesday 24th January at the Village Hall at 7pm.

Precept Increases to each house band for coming year of 23/24.

The Council Tax Base figure for Healing Village, set by NELC, is 1,175.25. Using this to calculate the precept figures for each house band results in the following increase per house per year.

		<u>Increase per house per year</u>
Band A will be	£36.87 per year	£1.80
Band B will be	£43.01 per year	£2.09
Band C will be	£49.16 per year	£2.40
Band D will be	£55.31 per year	£2.70
Band E will be	£67.60 per year	£3.30
Band F will be	£79.89 per year	£3.90
Band G will be	£92.18 per year	£4.50

The figures may vary by a penny or so, depending on the means of calculation by NELC's accounting system but this shows the precept figure which will be levied on each house in the village for the coming year and the increase per house, per year from the current year's cost.

The budget is published on our website together with other financial information. Any questions please direct them to the Clerk or the Chairman of the Council.

Village Hall, selling of advertising in the Healing News and any funds taken from events. There is also a subsidy from NELC for park maintenance and Ward Councillor funding.

The Hall revenue each year is approximately £12k, the advertising from the Newsletter approx. £1k and any funds raised from events are used to fund the staging of the next event.

The Parks subsidy is usually around £6,500 each year which offsets the costs of park and bowling green maintenance and Ward Councillor funding is given to assist with projects with approximately £2k received during this last year.

PRECEPT SETTING FOR FY 23/24

The Precept has been set at £65,000 for the coming year and this has now been requested from NELC for the new financial year.

**'Toys for Joy' and
'Treats for Christmas' Appeal**

A huge thank you to everyone who brought donations of toys, Christmas food and treats to the appeal. It was lovely to be able to have a coffee morning again, and there was a great atmosphere.

Your kindness and generosity was really appreciated.

Thank you so much from everyone at the Immingham Food Larder, and all of the organisers at Healing Methodist Chapel.

The response was amazing in these very difficult times, and it has made a big difference to many struggling local families at this special time of the year.

Thank you!

HEALING VILLAGE BUDGET AND PRECEPT

FOR FINANCIAL YEAR 23-24

The Parish Council met in January 2023 to set its budget for the coming year of 23-24 and also to set the precept requirement for Healing Village.

The budget agreed is as follows:

Administration £7,450.00

This includes office expenses, telephones, insurance, membership to professional bodies and county associations, the provision of Christmas trees, footpath expenses and also any works to Porri's Wood.

Awards/Healing News £11,800.00

This includes grant aid, any other awards made by the Council and the printing and distribution of the Healing News for the year.

Payroll/Staffing costs £30,000.00

The Parish Council employs 5 permanent members of staff and this covers salaries, national insurance and pension contributions etc.

Village Hall £14,740.00

This covers all costs for the operation of the Village Hall excluding staffing costs—e.g. energy costs, water rates, business rates, insurance, cleaning materials, repairs and maintenance.

Extras/Capital Projects £23,550.00

This covers a donation to the Church for assistance with grass cutting in the churchyard, maintenance of the Moated Site, Cornflower Copse and Quantock Gardens—all land owned and managed by the Parish Council. Also included in this figure are the loan repayments for the loan taken out to finish the build of the new Village Hall, activities such as holiday club provision, park maintenance and events.

TOTAL BUDGET SET FOR FY 23/24 **£87,540.00**

The Parish Council also holds a small reserve amount which is the remainder of the bonded sum given for the ongoing maintenance of land at Quantock Gardens. The Council does not own Porri's Wood but leases it from NELC, along with the two parks in the Village—Poplar Road Park and Fords Avenue Park.

Each year NELC gives a subsidy to the Parish Council for maintenance of the Parks but this only covers grass cutting, maintenance of the bowling green and hedge cutting. Any park improvements and maintenance of play equipment is the responsibility of the Parish Council.
