### Chairman's Round Up

We have finally been able to sit down after a hectic few days with the Summer event on Poplar Park. What a great day we all had. It was so nice to see everybody come along and support the events, and getting involved with the activities. It makes all the hard work worthwhile!

What a great community spirit we have in Healing and long may it continue.

There is, in this edition, an article thanking in detail all those who were involved in making it happen.

Looking forward, the next event is the Quiz Night on the 15th July so book your table before they sell out!!

Once again, many thanks for your continued support.

Cllr. Paul Fieldgate (Chairman)

## POLICE REPORT

### Wolds Ward Healing Update June 2023

#### Crime

There were thirty nine reported crimes across the Wolds Ward during May. Four offences were recorded for Healing.

On 14<sup>th</sup> May two males were seen to enter business units at a company on Energy Park Way on EuroParc. The males were filming around the area, and nothing appears to have been stolen or damaged.

A female has been issued a caution following an incident at the Royal British Legion Club whereby a car was damaged.

The other two offences relate to a minor public order incident and an assault.

There were no reports of ASB.

Your local Neighbourhood Policing Team appreciates the importance of being in the right place, at the right time, for the right reasons to reassure the public, improve public confidence and reduce crime and anti-social behaviour in the area in which we all live and work.

We encourage all residents to call and report any issues where they live so that we can deal with any issues and step up our patrols in the area. The number to call for non-emergency issues is 101

## View from the Pew

I was watching the news this morning and on it was a piece about how the big supermarkets are seeing changes to our shopping. Significantly more people are buying own brands, more are moving from mainstream supermarkets to the big discount supermarkets, more are cutting back on their weekly budget for shopping and more are only buying essentials. I believe it reflects the state of our country today. We are no longer the superpower we used to be although it ranked in the overall prosperity index. There is no wonder that we have a major problem with refugees trying to get into our country, yet we still have our own homeless problem, our own, poverty struck area and they are on the increase, we now have households with fuel poverty the list goes on. After listening to some of the stories told to me by people from other nations (refugees) I can see why we are still a major power, we are in comparison still well off.

One of the best examples I have ever heard was from a priest from Haiti still the poorest country in the world, when asked why the country is so faithful he said, "In this country you have money and God, in Haiti we only have God". Instead of complaining about how difficult things are and for some they are very difficult, we should be celebrating how rich we are in many ways and using our resources to help those who are struggling. In the 2015 election at a hustling I asked all the local candidates the question "should we have any homeless people in this country", various answers were given but one candidate stood out from the rest he simply said "no" and sat down again, what brilliant answer. Jesus said to the rich young ruler, "go sell all you have and give it to the poor". We have the power to make other peoples world that bit easier and richer we should at least try.

## Hedges and Trees overhanging the Footpaths

Please try and remember to cut back any overgrown hedges, shrubs, trees etc. which might overhang the footpath or road.

Its sometimes particularly hard for pedestrians using the pavements at this time of year when things have grown over walls and fences etc. Its not fair for people to have to go on the road to pass by, especially those with buggies or wheelchairs etc.

So please go out and trim back anything which might get in anyone's way. Thank You!

## Healing Citizenship Award for 2023

The Parish Council is delighted to announce the result of the Healing Citizenship Award nominations for 2023.

There are joint winners this year with Mr. Kristian Kauss and Mr. Martin Thornley sharing the award.

Both gentlemen were nominated for their good works for the Village and for the enhancement and enjoyment they add to the life of the Village—mostly quietly working behind the scenes to make the Village so much nicer to live in.

\*\*\*\*\*

This year there were 5 nominations, with some nominees receiving more than one nomination. The other nominations were for Beth Jackson for her work with Healing Hotspurs girls football; Helen Watson for her work with the Scout Group and Sue Hewis and the other Brownie helpers for the work in running the local Brownie group.

Well done to all those nominated.

\*\*\*\*\*

The presentation of the Keith Walton Trophy to Kristian and Martin will be made by the Chairman of the Council at the July meeting on Tuesday 11th July 2023 up at the Healing Village Hall at 7.30 pm. Friends and family of those nominated are invited to attend.

## HEALING AND DISTRICT GARDEN CLUB

At our June meeting we were delighted to welcome our speakers for the evening from Jerry Greens Dog Rescue Centre in Broughton. Members were interested to hear all about the wonderful work they do to rehome the many dogs that come into their care.

We had asked members if they could donate dog food or bedding for the Centre, the table was groaning under the weight of donations that members brought!

The July meeting is our Members only evening when some of our members open their gardens for other members to enjoy. Each member will receive a list of gardens that will be open, if any member wishes to bring a friend they, as always, will be most welcome.
