## Bus timetables for Healing

The Parish Council is trying to find a way to publish the Bus timetables without it taking up too many pages and still being legible for everyone.

Also, at the current time, the timetables have been changing due to lockdown and tier restrictions.

For anyone wanting to find the bus times, please look online at [Stagecoach.com](http://Stagecoach.com)

## Keith Walton Trophy

It is over 40 years now since the Parish Council first awarded the Keith Walton trophy to a local resident or group in recognition of achievements within the village or support for activities in the village.

We thought it might be a good idea, to take a look back over the years to remind ourselves of local people who have received the award since 1978. Hopefully there will be a good few people still resident in the village who were recipients in the past, it might even be that some residents might see a parents or relatives name appearing from an earlier award.

In any event, thank you to everybody who has made a contribution to the village in the past or who is making a contribution currently, and hopefully, in years to come, we will be able to recognise other people for the work they are doing for their fellow residents.

So, here is the list.

Chris Walton	Andrew Barron
Cliff Winship	Wm F Storey
Thomas Wilson	H. Cable
John Smith	Nicholas Grundy
Frank Green	Daphne Baker
Adam Thomas	Maureen Lincoln
Eve Richardson	Brett Embley
Mr & Mrs P Bird	Kate Jackson
Alan Richardson	Jeff Tuffnell
Debbie Smith	Robin Ruston
Rachael Adhikaree	Richard Winship
Maysie Wilson	Theresa Blanchard
Faye Wright	Wayne Okopskyj

**HEALING PARISH COUNCIL NOTES FOR DECEMBER**  
**E mail: healingparishcouncil@outlook.com**

The Council meeting for February 2021 was held virtually in line with restriction guidelines. Residents are welcome to attend the meetings and agendas carry the Zoom code at the top of the agenda to allow access to the meetings.

**Highways and Footpaths**

The Council continues to liaise with NELC closely over any traffic matters in the village and noted that enforcement officers had been in attendance at both the school areas and also elsewhere throughout the village, reinforcing the recently installed TRO and also the restrictions outside of the schools. NELC is looking at a village-wide plan to address traffic issues within the Village and the Council awaits consultation on the details for this scheme. Other issues include looking at speed reduction on Stallingborough Road and upgrading the speed signs within the village.

**Planning Applications**

The planning applications considered at the meeting for the last two meetings were as follows:

**Planning Application Reference: DM/0023/21/FUL**  
**Proposal: Variation of Conditions 2 (Approved Plans), 3 (External Materials), 4 (Obscured Glazing) & 5 (Rainwater Discharge) as granted on DM/0461/20/FUL including alterations to roof layout, side ground and first floor extension removed, side window added at first floor, brickwork to render at first floor, front door at ground floor changed to window and installation of bi-folding doors to ground floor to rear**  
**Location: 16 Radcliffe Road Healing**  
*Members had received objections from neighbouring property and agreed that the rainwater discharge for condition 5 was under question. Members to reiterate concerns over this and previous objections.*

**Planning Application Reference: DM/0038/21/FULA**  
**Proposal: Erect first floor extension above ground floor flat roof**  
**Location: 38 Fords Avenue Healing**  
*Cllr. Mooney had declared prejudicial interest and took no part in discussion or debate.*  
*No objections*  
*Over.....*

*Continued....*

**Planning Application Reference: DM/0116/21/FUL**

**Proposal: Erect two storey extension to side and single storey extension to rear**

**Location: 18 Oak Road Healing**

*Members noted plans had been amended to address previous objections and there were no objections.*

The Parish Council had received some information on the proposed solar farm adjacent to fields off Aylesby Lane and a formal planning application was awaited. The Members will be inviting a representative from the project to attend a meeting to give all necessary information.

**Police Matters**

The Parish Council continues to receive its monthly police report, which is published in the News each month.

**Parks and other sites**

Winter maintenance continued at the sites and usual maintenance would recommence in late March/April 2021 depending on weather.

**Parish Council Vacancies**

There is still a casual vacancy on the Council which can be filled by co-option. Anyone interested should speak to an existing member, or ring the Clerk for an informal chat and for more information. Candidates are asked to come and sit through at least one Council meeting before they can be considered for cooption.

**Village Hall**

The Hall remained closed at the time of going to press, due to the current lockdown restrictions.

**Village Hall project**

The Council was proceeding in its sale of the Hall with the purchaser seeking planning permission for a change of use. The outcome of this was awaited whilst possible start dates for the new Hall project were being discussed with the building contractor appointed.

## POLICE REPORT

### Wolds Ward Healing Update March 2021

#### Crime

There were 26 reported crimes across the Wolds Ward during January, of which six occurred in Healing.

Overnight 19<sup>th</sup> & 20<sup>th</sup> January a building site compound was entered off Larkspur Avenue. A storage container has been broken into and plant machinery stolen. On 29<sup>th</sup> January storage containers within a factory compound on EuroParc were broken into and tools were stolen.

On 12<sup>th</sup> January two men in a white Ford Transit van have driven onto company grounds at EuroParc. The men have loaded the van with items from the yard. They were approached by security who managed to recover some items before the van drove away with the remaining items. There were three assaults reported.

Into February, there have been two reports involving malicious communications. During the evening of 3<sup>rd</sup> February, four men from the Scunthorpe [area](#) were arrested following a report of them being on site acting suspiciously at a factory on EuroParc.

There has been one report of ASB, regarding a vehicle parking on the grass verge on The Avenue.

Your local Neighbourhood Policing Team appreciates the importance of being in the right place, at the right time, for the right reasons to reassure the public, improve public confidence and reduce crime and anti-social behaviour in the area in which we all live and work.

We encourage all residents to call and report any issues where they live so that we can deal with any issues and also step up our patrols in the area. The number to call for non-emergency issues is 101

#### Finance

The Parish Council has set its budget, which was published in the last Newsletter, and has submitted its precept request to NELC for the next financial year 21/22.

The Parish Council has decided to stay with its current internal auditors for the current financial year's audit for 20/21.

All finance information is published on the Parish Council's website.

#### Village Hall Opening:

If the steps proposed to ease lockdown restrictions are implemented, then the Village Hall should be able to be reopened for classes from May 17<sup>th</sup>—this is of course dependent upon the Government's roadmap out of the pandemic being successfully carried through. We will update all of our regular hirers etc. when we know more and will update residents via the Newsletter, the Website and social media.

## **PARISH COUNCIL MEETING DATES**

The next meetings of the Parish Council will take place as follows:

**Tuesday 9th March 2021**

**7.00 PM.**

All meetings will take place virtually, through the Zoom Portal, for the present until further notice.

All meetings are open to the press and public and an agenda for the meetings is placed on the Parish Council website approximately one week before each meeting date.

Meeting codes to access the meetings are published on the top of the Agendas.

Any resident requiring assistance to access the meetings, please speak to the Clerk on 07494 577661 for help.

## Healing Village Hall

At the time of going to press, the Village Hall is closed in line with the lockdown restrictions in place during November. As soon as restrictions allow classes to recommence, the Hall will be reopened.

All classes are ring-fenced for hirers so that classes and groups can pick up a gain when the Hall is allowed to reopen.

Please keep an eye on our social media and website for news of any changes etc.

## Relaunching 1st Healing Scout Group

Young people are eager to join in the fun and adventurous activities Scouts provides especially after being stuck in for months. We are looking to provide opportunity for as many as we can but we need adult support. How can you help?

You don't need to be Bear Grylls to join us. You don't need to have been a Scout when you were younger. You don't even need to know how to put up a tent. We have a role that suits you either directly with young people, on the Executive or behind the scenes.

Whatever your skillset, lend a hand for as little or as much time as you can spare and we promise you'll get so much satisfaction.

We provide the training and support. You help create new memories for life. Sounds fun? Worthwhile? It is.

The census will include questions about your sex, age, work, health, education, household size and ethnicity. And, for the first time, there will be a question asking people whether they have served in the armed forces, as well as voluntary questions for those aged 16 and over on sexual orientation and gender identity.

Results will be available within 12 months, although personal records will be locked away for 100 years, kept safe for future generations.

**census 2021**

## Census 2021 will provide a snapshot of modern society

Households across North East Lincolnshire will soon be asked to take part in Census 2021.

The census is a once-in-a-decade survey that gives us the most accurate estimate of all the people and households in England and Wales. It has been carried out every decade since 1801, with the exception of 1941.

It will be the first run predominantly online, with households receiving a letter with a unique access code, allowing them to complete the questionnaire on their computers, phones or tablets.

“A successful census will ensure everyone from local government to charities can put services and funding in the places where they are most needed,” Iain Bell, deputy national statistician at the Office for National Statistics, said.

“This could mean things like doctors’ surgeries, schools and new transport routes. That’s why it is so important everyone takes part and we have made it easier for people to do so online on any device, with help and paper questionnaires for those that need them.”

Census day will be on March 21, but households across the country will receive letters with online codes allowing them to take part from early March.

## HEALING GARDEN CLUB

We wish all our members and residents a healthy 2021 and trust that all will stay safe and keep well in these troubling times.

Sadly, because of the current restrictions we are suspending our meetings until further notice, we hope that perhaps by April or May we may be able revert to our planned programme—green fingers crossed!

In spite of this pandemic our gardens are already showing signs of Spring and our feathered friends are all ready looking for places to nest. Mother Nature, thank goodness, is unaware of Covid!

If you wish for further information re the Garden Club please call either myself or Alan Michael.

Melanie Dickerson.

### View from the pew.

It seems quite a while since I wrote this column, but everything is moving at slower pace than normal, whatever normal is now-a-days. For most of us our world has become very small, mainly consisting of the four walls that are our home, for me the study window is now my main outlook on the world and, if it were not for taking the dog for a walk and the occasional job which requires me to actually to go out, my world is very limited. That is the same for most of us I guess and rightly, so we need to stay safe and protect others, we often forget that staying in is not just for our sake but also to help stop the spread of this very contagious and deadly virus. For church it is a very testing time, not being able to celebrate God's love together, having to look at new ways to worship via phone or the internet and not having the social side of the church's life all adds up to a very trying time. We should however remember those who are far worse off than we are. I attended a funeral yesterday of a friend, but it was virtual, I was sat at home while the funeral was in Boston. I am also now being asked to sign a waiver for publication rights nearly every time I take a funeral so it can be webcast, all a far cry from just over a year ago. We are lucky and we should not forget those who have lost family and friends to COVID-19, those who are now facing isolation alone and those who feel their lives are at an end because of depression.

However, all is not lost, we can see light at the end of this very long and dark tunnel, vaccination is going well, and the Government is looking at early March to get some of the children back to school, but I fear this may be too late for some, my daughter has struggled with home schooling in a very important year for her, just another casualty of this pandemic.

I am often asked where God is in all this, my answer is always the same "He is standing right beside us, sharing our grief, our pain and our joy as He always does if we let Him".

May God bless you all.

Neil

### **HEALING AND KEELBY METHODIST CHURCH MARCH 2021**

### **CHANGES TO BIN COLLECTIONS**

Residents should now have received a pack showing the changes to the weekly bin collections. The information can also be obtained through the NELC website at [www.nelincs.gov.uk](http://www.nelincs.gov.uk)—just put bin collection into the search box and it will take you to the appropriate page . Put your postcode in and it will then tell you what days will be collection days and which bins will be collected.
