### **Thank You**

To member of the Healing and District Men's Social Club (The Top Club) I would like to personal thank you for your support toward the Ukraine.

By holding a Charity evening in support of the children and families of Ukraine on the 26 March 2022 you showed your generosity by donating a substantial amount of much needed cash.

Too many to thank however I would just like to mention a few Alicia, Sarah, Martin & Janet.

The entertainment and BBQ was outstanding.

Wayne Okopskyj.

## POLICE REPORT

### Wolds Ward Healing Update April 2022

#### Crime

There were twenty three reported crimes across the Wolds Ward during March, of which three have occurred in Healing.

Around lunchtime on 30<sup>th</sup> March a male approached a locked cycle which had been left behind a bus shelter. He removed the lock and rode off on the bike, leaving behind another bike he had arrived on.

The other two offences were an assault and a domestic related criminal damage.

There has been one report of ASB.

Youths were reported to be messing around at the train tracks, leaving items on the line. When checked, the lines were clear, and youths were seen some distance away in a field.

Your local Neighbourhood Policing Team appreciates the importance of being in the right place, at the right time, for the right reasons to reassure the public, improve public confidence and reduce crime and anti-social behaviour in the area in which we all live and work.

We encourage all residents to call and report any issues where they live so that we can deal with any issues and step up our patrols in the area. The number to call for non-emergency issues is 101

## The Queens Platinum Jubilee Beacon Tart

To mark the occasion of the Jubilee and the Beacon Lighting, a special Beacon Tart has been created. We are asking any resident who is interested in making this to do so and then bring it along to the Jubilee Event on Thursday 2nd June. We will then take a picture of them all, cut them up and offer them to all of those attending.

If you would like to have a go at making the Tart, the recipe is as follows:

Ingredients representing all 4 nations of the UK:

England—Cheddar Cheese                  Ireland—Potatoes

Scotland—Smoked salmon                  Wales—Leeds

Take an 8 inch loose bottomed flan tin and line with shortcrust pastry—homemade or shop bought - whatever you like!

### Filling:

100g smoked salmon trimmings or slices cut into small pieces

50g leek

100g cooked potatoes

75 g grated cheddar cheese

200 ml single cream

2 large eggs—beaten

1 tbsp chopped parsley

Some black pepper and butter or oil

### Method:

Line the flan tin with the pastry. Prick the bottom with a fork. Line with foil and baking beans and bake at 200 C /Gas mark 7 for 10 minutes. Then remove the foil and baking beans and cook for a further 10 minutes.

## BBC RADIO HUMBERSIDE

### **BBC to award heroes who've made a difference where they live**

#### **Local BBC Radio across England wants to award great neighbours, key workers, volunteers and more in Make A Difference Awards**

Community heroes who make a difference where they live will be recognised in a new award scheme being run by every local BBC radio station in England. But they need your help to identify people who should be honoured.

It's part of the BBC's 'Make A Difference' awards to recognise remarkable people; marking their achievements and contributions to lives in their communities.

'Make A Difference' was first set up at the start of the first pandemic lockdown and is a virtual notice board for those offering help and those needing support. To date over 8 Million people have interacted across all 39 local BBC radio stations.

Categories cover the unsung heroes of every community from great neighbours, inspirational teachers, awesome volunteers or even outstanding key workers.

There are eight award categories (listed below), nominations are now open and will close on the 29th of April 2022 at 11:00pm.

The winners will be announced at our Make a Difference awards hosted by BBC Radio Humberside at a ceremony in September.

Chris Burns, Head of Audio and Digital for BBC England said: "The last two years have been challenging for everyone. Listeners have contacted us to share the stories of how people have helped each other and we wanted to find a way of celebrating those unsung heroes and telling

Remove the flan and decrease the oven temperature to 160 C /Gas mark 4.

Place potatoes in salted water and cook for 15 minutes. Leave to cool and then slice thinly.

Chop the leek finely and melt a knob of butter in a small frying pan and cook the leek gently for about 10 minutes until it is soft—don't let it burn!

Place the smoked salmon pieces on the bottom of the flan.

Place the leek on top of the smoked salmon and spread out.

Place 50 g of the grated cheese on top of the leeks.

Put the sliced potatoes on top of the cheese and then put on the remaining cheese.

Beat together the cream and beaten eggs and add plenty of black pepper, then pour into the flan dish.

Sprinkle on the parsley.

Cook in the oven at the reduced temperature for about 30/35 mins until the filling is set.

Allow to cool and then remove from the flan tin by pushing up the bottom of the tin and loosening from the sides.

## Healing Holiday Clubs

The Parish Council hopes to provide its usual summer holiday clubs for this Summer break but at this moment in time the usual provider isn't sure whether they will be able to meet the PC's request to provide its usual activities. The usual provider now has increased commitments and is unsure as to whether it will be able to provide the usual sessions.

The Parish Council will know more in late May/early June and will keep residents informed via the next Newsletter and social media etc. But the Council is committed to providing the sessions during the school holidays and will do all it can to try and ensure these go ahead.

## HEALING NEW VILLAGE HALL OFFICIAL OPENING

A big thank you to all those who attended our official hall opening on Friday 8th April. The Council had invited all those who had worked on the Hall or contributed to the project in some way and it was lovely to see most of those people present.

The Parish Council had unanimously agreed to ask Mrs. Daphne Baker, a Healing resident, to officially open the Hall for us as someone who has hired the Hall from the Parish Council for over 40 years. Unfortunately Mrs. Baker was unwell and couldn't attend on the night, so a big thank you to her son, Mr. Paul Baker, pictured here with our Chairman, Cllr. Fieldgate, who stepped into her shoes and represented her.

## HEALING GARDEN CLUB

The Garden Club Spring Show was a great success, a few teething troubles when we first arrived at the new venue, but those were soon sorted, we thank members for their patience and understanding.

In spite of there being no Spring Show for the last 2 years everyone was amazed at the amount of entries in each class and of all of such a high standard.

We look forward to the Autumn Show in September.

## PARKS NEWS AND UPDATES

The summer maintenance programme is now commencing and grass cutting on both the parks and the bowling green will be in full swing during the coming months.

The tennis court nets are back in place and the court surface has been swept and cleaned.

The Parish Council has submitted a funding bid for the parks and is hoping to obtain funding for a zip wire on Poplar Park and funding towards mending the wire fence around the tennis courts.

The Parish Council is looking at some remedial works to the car park at the new Village Hall and has already moved and repaired the fence along the car park to allow extra parking spaces. A new path has also been laid to the bowling green gates.

A playground inspection will be held in May/June along with site inspections of all the sites for which the Parish Council has maintenance responsibilities—ie Poplar Park, Fords Avenue, Porris Wood, Cornflower Close and the land at the end of Quantock Gardens.

The Council is also looking at some new picnic bench seats across all of its sites during the coming year as well as installing a new notice board on the site at Poplar Road Park.

How well do you cope with an unexpected change of circumstances? Are you someone who sees it as a challenge and sets about making a plan to cope? Or if it is something totally outside your control are you able to accept that and get on with life as best you can? Do you learn from the change or do you become angry and frustrated taking it out on other people?

As I write this in early April the world seems full of the need for new beginnings. The madness of war in the Ukraine is destroying people, homes and families. There is growing concern about the effects of global warming. We have the highest ever infection rate of Covid and the consequences for our hospitals and their staff. There are dramatic rises in the cost of living so that more and more people are resorting to Food Larders and other charities just to cope with getting food and keeping warm.

What are the changes of circumstances in your life and how are you coming to terms with them?

The followers of Jesus were shocked to see Jesus murdered on a cross as a result of political power. Their hopes and dreams of a new kingdom for the Jewish people were lost. They were frightened that they too would be arrested and killed. They hid away. They were confused when Jesus appeared to some of them and they did not know what would come next. Then Jesus told them that they would see him no more. [Celebrated as the Ascension on May 26th].

What were they to do? What did it all mean? How were they to cope? Go back to their ordinary lives before they had met Jesus?

But then God sent His Spirit into them and they became changed people who set about changing the world. This was a real new beginning. [Celebrated as Pentecost on June 5th.]

God seeks to help us in the changes we face by being within us as His Spirit, giving us comfort, healing and strength to be people who can make a differences in the world. God loves and cares for you. Be still, open your eyes and ears and find Him there. Make a real new beginning.
