Bus timetables for Healing

The Parish Council is trying to find a way to publish the Bus timetables without it taking up too many pages and still being legible for everyone.

Also, at the current time, the timetables have been changing due to lockdown and tier restrictions.

For anyone wanting to find the bus times, please look online at Stagecoach.com

Healing Remembrance Day

Service and Parade

SUNDAY 14TH NOVEMBER 2021

All residents and friends of the Village are warmly invited to take part in the annual Remembrance Day Service and Parade.

The Parade will gather as usual on the British Legion Car Park on Oak Road, Healing and will march up to the Cenotaph at the top of The Avenue. The Parade will leave at about 10.30 am.

The outdoor service will take place at the Healing Cenotaph and wreath laying will be taking place as usual. Afterwards the Parade will return to the British Legion and everyone is invited in for refreshments if they wish to do so.

Residents can join in the service by going up to the Cenotaph in time for approx. 10.50 am if they do not wish to take part in the Parade. Any resident who would have difficulty standing through the service and is wishing to book a seat at the Cenotaph for the service, please contact Mr. Okopskyj, the Parade Marshall, as shown below and that will be arranged for you.

There will be some spare seats available on the day for those residents who struggle to stand through the service.

Anyone with any questions, please contact our Parade Marshall, Mr. Wayne Okopskyj on tel. no. 07504 119521.

HEALING PARISH COUNCIL NOTES FOR NOVEMBER 2021

The Council meeting for October 2021 was held and enough members were in attendance to make the meeting quorate.

Council Member Numbers

A proposal was put on the table to reduce the quorum for meetings to 3—it currently stands at 4. This is due to the current low number of members, which is just 5. This motion will be voted on at the November meeting for clarification.

Planning Applications

The planning applications considered at the meeting for the last meeting were as follows:

DM/0977/21/FUL **12A The Avenue, healing**

Proposal: Erect single storey rear extension and erect first floor extension over existing garage with roof lights

No objections.

DM/0930/21/FULA **11 Carlton Road, Healing**

Proposal: Demolish existing outbuilding attached to dwelling and erect a single storey extension with rooflight and two storey extension with alterations to rear

No objections.

It was also agreed that representatives attend either the November or December meeting of the Parish Council to update on the latest plans for the proposed solar farm at Aylesby.

Land Management Issues

The only outstanding issues were cutting back of nettles on the Moated Site—all other works had recently been completed. Any further works to parks or other areas were deferred pending completion of the new village hall build.

Other Items

The Parish Council has registered to take part in the Platinum Jubilee Event in 2022 and will be lighting a beacon along with others nationally and also holding an event to commemorate this important occasion.

A Christmas event is also being discussed and any arrangements will be finalised in the next two months.

Police Matters

The Parish Council continues to receive its monthly police report, which is published in the News each month.

Village Hall

The Hall is still fully operational for all our regular hirings and is available for children's parties, other celebrations etc. and will remain fully operational whilst the new facility is being built.

Village Hall project

The building of the new hall is now nearly three months into the project and it is anticipated that works will be finished somewhere around the last week or so of November, hopefully being opened for Christmas 2021 but this is dependent upon weather and building material availability.

Any resident with any questions on the build, do please get in touch with the Council.

Finance

The Parish Council publishes all its information on the website.

"Your Parish Council Needs YOU"

Due to changes in circumstances, people moving on, job commitments etc., it means the Parish Council is now low on numbers. Therefore we are asking residents to come forward and see if they would be interested in joining the Council.

Parish Councillors come from all walks of life, all age groups etc. and we would like to hear from you if you might be interested in joining us.

Please come along to the next meeting in November, or the one in December and sit and observe and if you think you may be interested, then let us know. Alternatively, please contact either the Clerk or a member of the Council to see what's involved.

The Poppy Ladies 2021

The Poppy Ladies are back this year and ready to help residents of local villages show their respect on Remembrance Sunday. There will be a minimum donation of £5 for a lampost poppy.

As last year's poppies sold out, we would like people to register their interest via voicemail or text message on any of the below numbers.

We look forward to growing on last year's success and raising more in donations for The Poppy Appeal.

Remembrance (View from the Pew)

November – the month for Remembrance.

What is Remembrance all about? It involves all the emotions we have – but perhaps one way of putting it is a mixture of joy and grief.

What does grieving involve? It is an emotion which perhaps we dread because of the inward hurt with which we have to deal. We all deal with it in our own way. Some people just collapse into a helpless morass in which ordinary functioning is just impossible. Some people adopt the stiff upper lip, and carry on quashing their feelings until suddenly it all wells up and will not be denied. Often it is a significant anniversary which triggers this state of emotion. Some people manage their grief by acknowledging the hurt, but finding comfort in that they are carrying out the wishes of the person who is no longer present in the flesh. There is a saying “time is a great healer”, and many people find that they regain the ability to live normally as time goes on. That is when the joy comes into play. The great thing about happy memories is that nothing can change what has been a joy in life.

Another factor is to have a faith in an after-life, when we will meet again. People describe their experiences of the authenticity which give this hope. Recently I read about a lady who had a near-death experience whilst on the operating table.. She saw all her relations, and among them there was a little boy. She asked who he was, and was told he was her little boy who had died at birth, but was continuing his growth in heaven.

The life, death and resurrection of Jesus is a big key to dealing with our grief. His spiritual Presence which we can find through prayer, can transform our whole being with His spiritual comfort.

So let us give thanks for our memories, give thanks for all those whose dedication and sacrifice for a just cause is one of the most praise-worthy things in human experience, and for our God, whose love sustains us through all our lives.

GRIMBSY AREA SWIFT PROJECT

Further to my article about Swifts in the June edition of Healing News, I thought an update on GASP (Grimsby Area Swift Project) would be helpful.

So far, a dozen villagers have expressed an interest in having a Swift box, and a dozen beautiful boxes have been purchased from Peak Boxes. That was the easy bit. Finding someone who is insured and has done a risk assessment, who is also prepared to wield an electric drill from the top of a very tall ladder, has proved much more of a challenge. So unfortunately, at the time of writing, only one box has been installed.

The original plan was to have the boxes up at least by the last two weeks of July when the juvenile Swifts are prospecting for a new home before they head back to Africa. Sadly this has not happened but at least we should have the boxes up by next April/May when the Swifts return to us!

> Incidentally, if you happen to know of a roofer who would be willing to do this sort of work, or you would be interested in having a Swift box, then please contact

TREATS FOR CHRISTMAS

The response to the Christmas appeal last year was amazing, with so many kind donations. Healing and Keelby Chapel support the Immingham Food Larder during the year. With Christmas fast approaching, we thought that we could perhaps bring some of the Christmas spirit to struggling families by donating extra seasonal treats such as Christmas puddings, cakes, selection boxes, chocolates, special biscuits etc. always checking 'best before' dates, particularly important at this unprecedented time.

We will also be supporting the Toys for Joy appeal, which asks for donations of brand new toys, which can again be donated to needy local families this Christmas.

If you feel you would like to donate something to a struggling family at this special time of the year, please bring your gifts to the Chapel car park on Station Road, Healing between 10.00 and 11.00 on Saturday morning, the 4th of December 2021, when we will ask you to put your donations, yourself, into the car boot of one of the volunteers.

If you need any further information please ring Angie on 01472-507251 or Pat on 01472-882544
