Healing Remembrance Day

Service and Parade

SUNDAY 12th NOVEMBER

All residents and friends of the Village are warmly invited to take part in the annual Remembrance Day Service and Parade.

The Parade will gather as usual on the British Legion Car Park on Oak Road, Healing and will march up to the Cenotaph at the top of The Avenue. The Parade will leave at about 10.30 am.

The outdoor service will take place at the Healing Cenotaph and wreath laying will be taking place as usual. Afterwards the Parade will return to the British Legion and everyone is invited in for refreshments if they wish to do join us.

Residents can join in the service by going up to the Cenotaph in time for approx. 10.50 am if they do not wish to take part in the Parade. Any resident who would have difficulty standing through the service and is wishing to book a seat at the Cenotaph for the service, please contact Mr. Okopskyj, the Parade Marshall, as shown below and that will be arranged for you.

There will be some spare seats available on the day for those residents who struggle to stand through the service.

Anyone with any questions, please contact our Parade Marshall, Mr. Wayne Okopskyj on tel. no. 07504 119521 or the Parish Clerk on 07494 577661.

Thank You

Healing Parish Council

**HEALING PARISH COUNCILNOTES FOR
NOVEMBER 2023**

E mail: healingparishcouncil@outlook.com

The October meeting of the Council was held on Tuesday 10th October 2023 up at the Village Hall in the main room.

Membership changes

Cllr Norton has now stepped down from the Parish Council due to time commitments but with two new members coopted in September, the Council now is at a membership of 6 with 4 vacancies.

Highways/footpaths

Residents should see more visible and frequent parking enforcement visits in the village with new shift patterns now in place and a collaboration with the Parish Council which will see the teams being able to use the facilities at the Village Hall to carry out shift-handovers etc. This will enable them to spend more time in the Village on a regular basis.

Planning

The following planning applications were considered and the agreed comments of the Parish Council shown below each one. These comments are then submitted to NELC as required:

Additional police information

I am a Healing resident and police officer of 25 years. Whilst I am aware crime in the village is rare and low in number I am happy to volunteer time in support of the local neighbourhood team with any residents that may wish crime prevention advice for new builds and those who are longer term residents. I am able to offer victim advice for all forms of crimes reported and happy to complete home visits for any formal crime prevention advice needed.

Please email my secure police email address with any requests and contact numbers.

Protecting Communities, Targeting Criminals, Making a Difference

POLICE REPORT

Wolds Ward Healing Update October 2023

Crime

There were sixty one reported crimes across the Wolds Ward during September. The following offences were reported in Healing. Overnight 27th & 28th September, an integral garage at a property on Wisteria Drive was entered. A child's quad bike and cycle were stolen.

Overnight 16th & 17th September an attempt was made to steal a motorbike parked at a factory on the EuroParc. Damage was caused to the bike in the attempt.

Between 22nd & 24th September, one motorbike was stolen and an attempt to steal two other bikes was made from factories on EuroParc.

Two trees were chopped down in Healing Church Yard. Damage was caused to a conservatory roof after an object was thrown on to it.

Other crimes include:

Six assaults.

Three reports of harassment.

Three public order incidents

There were no reports of ASB.

Your local Neighbourhood Policing Team appreciates the importance of being in the right place, at the right time, for the right reasons to reassure the public, improve public confidence and reduce crime and anti-social behaviour in the area in which we all live and work.

We encourage all residents to call and report any issues where they live so that we can deal with any issues and step up our patrols in the area. The number to call for non-emergency issues is 101

The named officer for Healing are:
PC 591 Danielle Drake

Planning Application Reference: DM/0844/23/FUL

Proposal: Repair and reinstate rock revetment between New Cut Drain Outfall and OldFleet Drain Outfall (adjacent to the Humber Estuary) and works to enable access to New Cut Drain Outfall and Old Fleet Drain Outfall with associated landscape improvements and environmental mitigation

Location: Land Between New Cut Drain Outfall And Middle Drain Outfall Grimsby To Stallingborough

No objections.

Green Agenda Group

The Group continues to meet and is identifying projects for in and around the Village.

Events

Christmas is coming! We have arranged an informal sing-song around the tree outside of the Village Hall in December and then free refreshments in the Hall afterwards. Vibe and their members will be leading the singing for us and its hoped residents will come along and join in. See the events page for more details.

By the time the Newsletter is out, the October quiz night will have been held and also our Senior's Lunch—both of which were really well supported and well attended.

Other

During the month the Chairman and Clerk had held meetings with outside bodies such as contractors, NELC etc. and also attended the ERNLLCA District Meeting for NE Lincs, which was hosted by Healing.

Over.....

Parish Council notes continued.....

Parks and Land Management

The Council is now putting in place a management plan for the Moated Site and most of the sheep have now been removed by the farmer. When the remaining sheep have been removed the Council has agreed to have the fencing around the perimeter of the inner field removed and is arranging consultation with third parties on management areas of the site going forward. A further update will be given at the November Council meeting

All other sites were being maintained as usual with grass cutting coming to a stop on the parks for the winter months and remedial works to the bowling green being carried out between seasons.

Finance

The half year accounts for the Council had been submitted to the meeting and were approved by the members.

Any questions please call the Parish Office or email us.

View from the Pew

One of my favourite quotes is crisis don't really hit home unless they come and sit on your settee, in other words affect you personally. Well, this week my settee is full with both personal and church crisis's all affecting me and my work load considerably.

First late on Thursday evening one of the circuit churches burnt down although it was not in use it still belonged to the Grimsby and Cleethorpes circuit so is my responsibility. This caused a huge amount of work and was very time consuming. Secondly, we had a family crisis in which my granddaughter is in Queen's Medical Centre on a life support machine.

I have been with many families while in crisis and offered prayer and support, I have also sat with many people on life support for many hours but this is different because it affects me directly. Most of the time I wear my professional hat and give the best I can but in both these instances my best is not enough I have a personal investment with the people whose church burnt down and of course my granddaughter.

It is at these times there is for me only one thing to do and that is to trust God who in his wisdom will do what is best. When all else fails prayer is the answer, we should of course turn to prayer first not last but we often don't until we try everything in our own strength. Never forget the power of prayer and the love of God which passes all understanding.

Mat God bless you all

Neil

Over the past few years the growth of stinging nettles and thistles has proliferated. The sheep don't really like them and the farmer is having to give them food supplements to keep them healthy. After 25 odd years the fencing is now in need of repair – which could be costly.

Hence, the feeling that some change is due. The sheep are currently being removed by the farmer – not that easy to catch apparently. Next, the fence will be taken down – also not that easy due to the presence of a fair bit of barbed wire. After that it's open to ideas and agreement from the village.

An easy first step would be to cut some more pathways through the grass and move some of the picnic tables further into the site to encourage wider and easier public access for residents to sit and enjoy the surroundings. A substantial amount of the land will still be left wild and in its natural state.

What else happens will depend on how much interest and support comes forward to help out. For example, we could introduce more native plants and flowers to encourage insects, birds and animals.

The Parish Council will have a budget for safety and maintenance work but any more work may require some volunteer work. Expert advice is currently being taken so exactly what needs to be done will be shared later in our next update. If any of this sounds of interest to you and you want to get involved in the work then please contact:

Our Moated Settlement Site – It's Future Use

The time has come for the Healing Moated Settlement to undergo a serious review. This 6 acre area is of archaeological interest being the site of a former mediaeval community linked to the main moated manor house where the Healing Manor now stands.

Following the excavation of a large flood balance pond by the housing estate builders, which destroyed a fair bit of the site, it was properly surveyed and listed as a medieval site by English Heritage and Historic England in 1994. This protected it from any future building or development work.

In 1999 the builders gave the land to the Heritage Trust of Lincolnshire "to be managed as an ancient monument and as an amenity for the residents of Healing".

Restoration work was carried out by the Healing Time Team in association with Operation Lifestyle. A group of residents formed the Friends of the Moated Settlement to help look after the site which they did very well for many years and undertook a substantial amount of very hard work.

The Heritage Trust arranged for a flock of rare breed sheep to be kept there to keep the grass under control. Obviously, a fence had to be constructed to stop them from just wandering off. This worked very well at first and definitely added interest to the village.

In 2009 the Heritage Trust wanted to step back from ownership and offered the site for sale so it was bought by the Parish Council. The Parish Council had a Stewardship Agreement in place for many years with Natural England but that then was ceased.

Being an archaeological site, extensive tree planting is not allowed but where there are no remains in the ground then perhaps some tree planting may be viable.

HEALING AND DISTRICT GARDEN CLUB

Members enjoyed our October meeting when we were transported to the Scottish islands of Iona, Mull and several other smaller islands courtesy of the beautiful photography of Mike Pickwell.

At the November meeting we are looking forward to welcoming Rev Mary Vickers, who is a member of the Club, whose talk is entitled Community Gardening.

Mary is very involved with residents of NELC in encouraging them to grow their own produce instead of relying on food banks. Mary was also instrumental in bringing the Community Gardens in Garibaldi Street in Grimsby to fruition.

The Garden Club meets on the 1st Tuesday of each month @7.30pm at the Village Hall Poplar Rd Healing, visitors are always welcome.
