Chairman's Monthly Update

Firstly, by the time you receive this edition of Village News the country will have been through a very difficult time with the passing of Her Majesty Queen Elizabeth II.

The Parish Council would like to have something in the village to remember Her Majesty by because of the profound impact she had on the country during her 70 year reign.

Therefore we would like to ask residents if you have ideas on how this could be achieved.

Any ideas or thoughts you have about this please contact the Clerk or myself via email (account details in the Village News). The members of the Council will then consider them and decide on the most apt, suitable and affordable.

Secondly, I would like to ask residents who have an interest in the village activities, and would like to play a part in these activities to possibly consider opting to become a Parish Councillor.

We have a number of vacancies at the moment and it would be nice to bring some "new blood" onto the Council to help us push through the ideas that we have and it will give you an opportunity to take an active role in these ideas and activities.

Please feel free to contact the Clerk or myself and we would be glad to go through things in more detail

Cllr. Paul Fieldgate

Her Majesty Queen Elizabeth II
1926 - 2022

It is with profound sadness that Healing Parish Council learnt of the death of Her Majesty, The Queen. We extend our heartfelt condolences to His Majesty, The King, and to the Royal Family.

**HEALING PARISH COUNCIL NOTES FOR
OCTOBER 2022**
E mail: healingparishcouncil@outlook.com

Due to the very sad news of the death of her late Majesty, Queen Elizabeth II, the September meeting of the Council was not held.

This was due to the number of legal days of notice required between the publication of the Agenda and the date of the meeting, falling on days of national mourning, whereby those days cannot be counted as formal notice days.

This of course could not be foreseen as the Agenda was published on the Wednesday before the sad news about the Queen had been received.

Therefore the earliest the Council could have then rescheduled the meeting for would have been w/c 26th September. It was thought therefore best to leave it until the October meeting.

All planning applications received by the Council will now be put before the October meeting along with any other outstanding business to be conducted.

Updates:

By the time you receive the Newsletter, the zip wire on Poplar Park will have been completed.

The new informal lending library at the Village Hall has been very successful and residents have been dropping books off for us. Thank you to everyone who has donated books and we hope residents will make good use of this facility.

The tickets for the Fashion Show are on sale and please contact us if you would like to come as we may have some left in the run up to the Show.

The next important date in the Council's calendar will be Remembrance Sunday which this year will be on Sunday 13th November 2022. The usual parade and service at the Cenotaph will be held.

Parish Council Office - Open Public Sessions

We will be holding open office sessions in the Meeting Room at the new Village Hall as a trial to offer open access to residents to access the Parish Council services.

If you want to look inside the new hall, make a hall booking, have another enquiry about traffic or highways or would just like to see what the Parish Council offers to residents, then please come along to one of these sessions.

As well as the Clerk, the Chairman of the Council will also be in attendance.

WEDNESDAY 5th OCTOBER 2022

Hedge and Tree Maintenance

Would all residents please note that it is an offence to allow any of the trees, hedges, shrubs etc. on your property to obstruct either the roadway or footpath by overhanging or growing over your boundary.

Most residents are very considerate and regularly trim back their front hedges, trees etc., but there are some which are overgrown and causing problems for pedestrians and other road users in passing by.

So if you could please make sure that your property boundaries which might front onto a road or pathway aren't causing any nuisance or obstruction for those wishing to pass by, it would be much appreciated!

The Parish Council

Fly Tipping of Garden Waste/Hedge and lawn cuttings etc.

Would residents please be reminded that they should NOT dispose of grass cuttings or any other garden waste etc. on public land or by the roadside. NELC does provide for a small cost each year a garden waste bin and there are compost bins which you can buy for your garden etc. Please do NOT dump on the road side or on the nearest piece of public land or park.

POLICE REPORT

Wolds Ward Healing Update September 2022

Crime

There were forty two reported crimes across the Wolds Ward during August. Three offences were recorded for Healing.

A male booked a room at the Healing Manor Hotel and left, failing to pay for the room.

One assault.

One report of sending malicious communications.

There has been one reports of ASB. A report of about cars driving at speed, performing doughnuts and general vehicle asb around EuroParc on 27th August.

Your local Neighbourhood Policing Team appreciates the importance of being in the right place, at the right time, for the right reasons to reassure the public, improve public confidence and reduce crime and anti-social behaviour in the area in which we all live and work.

We encourage all residents to call and report any issues where they live so that we can deal with any issues and step up our patrols in the area. The number to call for non-emergency issues is 101

PARISH COUNCIL MEETING DATES

The next meeting of the Parish Council will take place as follows:

Tuesday 11th October 2022

And

Tuesday 8th November 2022

7.30 PM

All meetings will take place in the main Hall at the new Village Hall on Poplar Road Park, Poplar Road, Healing.

All meetings are open to the press and public and an agenda for the meetings is placed on the Parish Council website approximately one week before each meeting date. An agenda is also placed on the Parish Council Notice Board by the bus stop.

Any resident requiring assistance to access the meetings, please speak to the Clerk on 07494 577661 for help.

Parking within the Village

Would all residents please remember to park considerately within the Village and also encourage visitors to their homes and businesses etc. to do the same.

It is very inconsiderate to park over someone's driveway, or directly opposite it, so it then makes it difficult for someone to get their vehicles out etc.

Also, please remember the restrictions in place with regard to parking on verges and pavements. NELC's Enforcement Officers do work over weekends as well as weekdays, so please bear in mind fixed penalty tickets can be issued at any time.

Village Walk

You are invited to join us on a local footpath walk on Sunday Oct 9th at 2 pm. We will meet at Healing Methodist Church car park for a walk of about 3 miles. All welcome to join us.

This will be our annual charity walk and we invite you to make a donation towards Water Aid. We take clean water for granted but in so many places around the world it is not available. Water Aid helps to provide new wells or other sources of clean water. Will you help?

If you cannot walk that day we welcome your donation and if you do not wish to donate we still welcome you on the walk. If you want to do a bit more then get people to sponsor your walk.

Please contact Peter Ede 01472 883625 for further information or to give a donation.

HALL NEWS!!

There is now an informal library/book lending up at the Village Hall. The bookcase is in the main reception and we ask that everyone who uses this please respects the facility and returns books/jigsaws etc. both in a timely fashion and in the state they borrowed them in. The facility is open when the Hall is open.

View from the Pew

How do you cope with change? Because we are all individuals, we react differently to the changes life inevitably brings. Some people hate routine, and get bored easily by "sameness". Others are really upset if they have to deal with the unknown. Some are "copers" who deal with whatever life brings.

It is great help if there are things which we can really rely on. If we have a very supportive network of people on whom we can rely, that is a great reassurance. One of the things we can all do is "be there" for someone else in time of trouble.

Having familiar things around us can bring a sense of security. Often our "things" bring memories of something lovely in our lives. We recently celebrated our diamond wedding. We were married on my parents' silver wedding day, so in 1987 we had a joint silver/golden wedding celebration. On our lounge wall we have a picture of a bluebell wood, which my father bought after my mother had accepted his proposal of marriage in a bluebell wood!

In our national life we are in the middle of lots of uncertainties. There has been upheaval in government, and the loss of our beloved Queen, whose mere presence brought a sense of continuity and reassurance that there are at least some things which don't change.

The thing which enabled her to be so dedicated was what she viewed as her calling from God. She kept to her vows made at her coronation.

Having a faith in an unchangeable God can transform our lives. The experience of prayer teaches that in whatever circumstance we find ourselves, the inner strength to cope comes from the spiritual presence of our great God of love, whose coming as Jesus showed how great is His love for those whom He created.

Let us keep our eyes on Jesus, who showed us how to live!

Zip Wire and Parks Update!

At the time of going to press, the main part of the zip wire had been completed and hopefully, by the time this Newsletter reaches you, the cable will also have been finished.

Massive thanks to the Lottery Community Fund who supported our bid to have this piece of equipment installed at the Park.

Christmas Tree at the Park

The Parish Council has approved a Christmas Tree to be put in at the park, in front of the new Village Hall. Works are already underway to install the necessary electrics etc. and lights have been ordered and it will all be ready for the Christmas Season this year.

Improved Lighting at the Park

Some new lighting has been installed, with the kind cooperation of the Scouts who have let us put some lighting on the corner of the Scout Hut. This now lights the car park and the path to the Village Hall for all of our users.

HEALING AND DISTRICT GARDEN CLUB

Firstly a huge thanks to our members who supported our Late Summer Show last month, entries were down slightly but it has been ,weather wise, a difficult growing season.

For our October meeting, Tuesday 4th , 7.30pm at The Village Hall, we are looking forward to hearing from Joy Croot and John Cottingham—very keen and knowledgeable ornithologists, who will tell us about Swifts, those delightful little birds who share their lives with us during the Summer.

Joy led the campaign to encourage Healing residents to have Swift boxes placed around the Village this year.

Guests are, as always, very welcome to attend our meetings.
