MAY MUSINGS

It is difficult, as the May edition of the Village News goes to press, to think of a period of time when much has changed so quickly for so many of us.

In the midst of so many negatives we must surely try to identify positives also.

It is only a few days ago that many of us were celebrating, albeit from safe distance, the hundredth birthday of one of our lovely fellow residents.

A flourishing support network has developed and grown at a remarkable speed to provide a safety net for those of us who are unable to get and undertake everyday tasks which just a few days ago were so commonplace.

Local businesses groups and retailers have stepped in with home deliveries and support, our posties have brought a splash of colour to our lives and the younger generation are doing their bit with posters and signs to bring that extra bit of joy.

To everybody who is doing their bit to quietly help and support others we say a heartfelt thanks.

None of this is to downplay the problems and difficulties so many are facing. Whilst this part of the country appears not to have suffered from Covid 19 to the same extent as other parts

/continued over......

many of us have had family members taken ill, or have suffered significant mental and emotional trauma. We all have had to make major adjustments to our way of life and this may well continue for some time to come.

We can only hope, that, if and when we emerge from all this back to some state of normality, whatever form that may take, we remember and hold on to the positives. Hopefully, we will continue to support those groups, shops and companies that have supported us through these difficult times. Hopefully we will all cherish and maintain the sense of community which is currently blossoming in our village and not fall back into the pressured lifestyle of before, when time for other people seemed to be at so much of a premium.

Stay safe, stay well.

We apologise that this May edition has not been delivered to every household as usual, we felt it not reasonable to ask our delivery team to undertake the task.
Normal service will be resumed as soon as we can
Please remember to pick up any mess your dogs make and bag it up and either put it in a bin on the roadside or take it home and put it in your wheelie bin.

Help us to keep our village clean and tidy.

Thank You.

Village Hall Project
The Village Hall is now being remarkeeted and is back on the market after the sale negotiated did not proceed. Offers are invited again from interested parties.

Future Dates and Reports
All events within the village arranged by the PC, all scheduled training and other meetings with outside bodies etc. have all been cancelled due to the current restrictions.

Village Hall
The Village Hall has been closed since the beginning of the restriction period and during this time has been thoroughly deep cleaned by the staff ready for when it can reopen. All hiring slots are protected so classes can restart at the appropriate times.

**VILLAAGE WALK**

Hello everybody. I hope you are keeping well and are getting out for some regular exercise so that when we can actually meet together as group you will be raring to go. As yet in view of the uncertainty I am not suggesting a date for such a walk. Will contact you in due course.

Peter

Wolds Ward Healing Update—April

Crime
There were 22 reported crimes across the Wolds Ward during March, of which nine occurred in Healing.

During the early hours of 15th March, entry was made to a home on Snowdrop Close by forcing a patio door. Jewellery and other items were stolen.

Over 18th & 19th March, high value copper piping was stolen from a factory on EuroParc.

Other crimes reported include:
Four assaults.
Domestic related harassment.
Making malicious phone calls.
Indecent exposure where an elderly resident opened the front door to a caller before exposing themselves.

There have been no further crimes reported in to April to date. There have been no reports of ASB.

Your local Neighbourhood Policing Team appreciates the importance of being in the right place, at the right time, for the right reasons to reassure the public, improve public confidence and reduce crime and anti-social behaviour in the area in which we all live and work.

We encourage all residents to call and report any issues where they live so that we can deal with any issues and also step up our patrols in the area.

The number to call for non-emergency issues is 101

Parish council notes continued.....

Parks and other sites
Grass cutting at the PC sites continues during this period. However the Bowling Season has been cancelled at the present time, so the Parish Council is maintaining the Bowling Green but at slightly less intense effort that would normally be used—the idea is to keep on top of the maintenance and then be able to bring the Green back up playing standard if and when matches are once again allowed.

Unfortunately of course all holiday club activities over Easter and for the May half term have had to be cancelled and the Parish Council has booked Thursdays during the Summer holidays for Holiday Club provision but this will be dependent upon the situation at the time. Please check the Website, FB page and the Newsletter for further updates.

Finance
The Council has now completed its accounts for the fy 19/20 and will now move to carrying out its internal and external audits as required.

TEAR OUT AND KEEP

Healing Area Coronavirus Community Support

You do not have to be alone during this crisis. We are all local people living in and around Healing, who have come together to support each other and anyone in our community who needs it. Especially if you live alone and are worried about the situation, please get in touch.

If you are self-isolating or alone and worried about the coronavirus, Healing Area Coronavirus Community Support can help.

We can provide free of charge:

- Pick up and delivery of essential shopping
- Running errands / posting letters / collecting prescriptions etc..
- A well being contact by phone just to check in on you or have a chat if you are alone
- Connect you with other people in a similar situation in Healing, so you will have someone to chat to
- If you have a computer we can help you set up online shopping and to join facebook if you would like to (providing we can safely do so)
- We will take precautions to spread only kindness. Items will be left on your doorstep, and we will avoid physical contact – keeping 2m distance.

How to contact the group

Call or text on 07851 558452 (incoming calls only)

Contact through our Facebook Page Healing Area Coronavirus

Take care – be wary of any unsolicited callers offering help. We will only come by arrangement following contact from you, and will not ask for your bank card or bank details.

If you would like to volunteer to join the group and offer help, including things you can do from home – please also contact us as above. If you have printed your own ‘offer of help’ cards, please feel free to add the above number as well as your own.

Ambulance staff may wear protective masks, aprons etc.. when attending respiratory patients. This is standard practice and does not mean the patient has coronavirus.

Essential NHS staff – if schools do shut we may be able to link you with DBS checked child care in your own home (rates to be arranged).

Finally – it is heartwarming that so many people have stepped forward to offer help. Please remember everyone involved is volunteering their time. By the time you read this, things may have changed, but if you need anything, even to chat, please do call.
